

Product Update

We are excited to launch two new offers to help Australian businesses save on energy costs and reduce carbon emissions

Solar Purchase

Who is Eligible

Business customers who have purchased a solar system in the last 4 years, either by cash or on a lease/loan arrangement

How it Works

ASM will purchase the system from the customer

The customer enters into an agreement to purchase the energy produced at a significantly cheaper rate than grid power

Benefits

Instant cash injection for the business

All maintenance, insurance and cleaning is fully included

Example Scenario

500 kW System = \$500,000 cash payment to customer → Customer pays 12c for solar energy

6 Months Free Solar Energy

Who is Eligible

New business customers who sign up for an ASM Power Purchase Agreement for capital-free solar power

How it Works

Contracts signed before 30 June 2020 will be eligible for up to 6 months free solar

Benefits

Supercharge your energy savings for the first six months, when you need them most
