

ASM Money Equipment Line

A revolving credit facility enabling equipment and fitout purchases to be paid in instalments over five years. Manage the unique cash flow requirements of your business with a standby asset finance facility. When you require funds for asset purchases send us the invoice and we pay it for you.

- Simple and easy settlement on purchases. Just upload the invoice to the online portal
- Can be used for multiple purchases up to the account limit
- Available balance increases as repayments are made
- 5-year term per transaction on all equipment
- No age or class restrictions for any equipment
- Pay out or pay down anytime. No establishment fees.
- Can be used with any authorised supplier (excludes private sales and capital raise)
- No caps on soft costs for fitouts

Fit out and soft costs – use funds for application fees and deposits with no payments for 120 days (min \$25,000)
